## **FEMA Flooding Assistance Center**

A Federal Emergency Management Agency (FEMA) drive-thru document drop-off center will open in Ypsilanti Township on Tuesday, July 27 to help renters, homeowners, and business owners affected by the June 25 – 26 severe storms and flooding. The center will be located at Ypsilanti Township Civic Center, 7200 S. Huron River Drive, Ypsilanti, MI 48197.

Hours for the center will be 7 a.m. to 7 p.m. daily. The center will be open for a limited time and is staffed with FEMA personnel who can scan documents and quickly answer questions about FEMA assistance programs. **The deadline for individuals to apply for disaster assistance is September 13, 2021.**

Applicants and staff at the centers will be required to follow CDC COVID-19 safety guidance. **Before visiting any center, survivors should register for federal assistance one of the following ways:**

- Online at [www.DisasterAssistance.gov](http://www.DisasterAssistance.gov)
- Using the FEMA App
- Call 800-621-3362 (TTY: 800-462-7585) from 7 a.m. to 11 p.m. daily.

If applicants prefer to submit documentation or sit down and discuss their case with a FEMA or SBA representative in-person, they can visit a disaster recovery center (DRC) already open in the area. Find the nearest recovery center by visiting FEMA's DRC locator page at <https://egateway.fema.gov/ESF6/DRCLocator>.

If you have been asked by FEMA to provide additional documentation, read your FEMA letter carefully and make sure you have everything you need when you arrive at the drop-off center.

Applicants do not have to visit a center to submit documents to FEMA - you can mail, fax or submit them online as well. Information about these options can be found in your FEMA letter. If you don't understand your FEMA letter, call 800-621-3362 (TTY: 800-462-7585) from 7 a.m. to 11 p.m. and ask for assistance.
