For these purposes, this date shall be referred to as the Employee's Hire Date.

When a Teamster member accepts a promotion within YCUA but outside the bargaining unit he/she will be allowed a thirty (30) day period to return to his/her former position in the bargaining unit without loss of seniority or bias.

Section 6.

A bargaining unit Employee who accepts employment with YCUA outside this bargaining unit will have all accumulated seniority frozen. If the Employee returns to this bargaining unit, their seniority will begin to accumulate from the point at which it was frozen.

ARTICLE 10 - LAYOFFS

Section 1.

When Employees are laid off, the following procedure shall apply:

1. Employees shall be laid off in inverse order of bargaining unit seniority within their department classification.
2. Employees who are laid off may bump downward or laterally into any position within the unit for which they possess the qualifications and ability to perform the work with minimum training and supervision, provided that the Employee has more seniority than the least senior Employee in that position. The determination of the Employee's qualifications and ability will be made by the employer. Training shall be 10 days.

Section 2.

The Employer shall give written notice to the Employee and the Union of any proposed layoff. Such notice shall state the reason, therefore, and shall be submitted at least 30 days before the effective date of the layoff.

3. All Teamster members filling vacancies/postings shall be filled pursuant to Article 11, Section 1.

Section 5.

An Employee on layoff shall have their seniority frozen as of the effective date of a layoff until such time that they are recalled to work or pursuant to Article 9, Section 4.

ARTICLE 11 - VACANCIES

Section 1.

When a regular, full-time position becomes vacant, the Employer will determine if such vacancy will be filled. If this vacancy is not posted within twenty (20) days, the position shall be considered abolished upon written notification to the Chief Steward and Alternate Chief Steward. Posting of a position will be made as soon as possible. Postings shall be on bulletin boards where they can be seen by all Employees for five (5) working days. All Teamster positions shall be posted initially for Teamsters only. The postings shall include a job description and the reasonable minimum qualifications for the job. Job awards shall be made within thirty (30) working days. The Chief Steward and Alternate Chief Steward shall be given written notification of all Teamsters who are successful or rejected in the bid process. The Employee who is awarded the job shall be placed in the new position as soon as an adequate replacement if needed, is secured. Members of this bargaining unit shall be considered first for such vacancy or positions, provided they have the necessary qualifications.

Section 2. Newly Promoted Teamster

Once awarded the position, the newly promoted Teamster will be given a ninety (90) day qualifying period. The newly promoted Teamster will receive the wage pursuant to the Base Salary Table in Article 29 based upon years of service in the Teamster bargaining unit. During this time if his or her performance does not meet the level of his or her department's standards, he or she will be given written notification of the observed performance deficiencies and an opportunity to correct them. If the newly promoted Teamster does not show measurable improvement in an agreed upon time frame, he or she will be disqualified and will be returned to the Teamster position formerly held without loss of seniority or bias.

Section 3. Newly Promoted Teamster from Outside the Bargaining Unit

The newly promoted Teamster from outside the Bargaining Unit will be given a ninety (90) day qualifying period and shall be afforded all benefits as described in ARTICLE 8 – PROBATIONARY & QUALIFYING EMPLOYEES. During this time if his or her performance does not meet the level of his or her department's standards, he or she will be given written notification of the observed performance deficiencies and an opportunity to correct them. If the newly promoted Teamster does not show measurable improvement in an agreed upon time frame, he or she will be disqualified and will be placed on layoff status until a position opens up within YCUA that he or she can post for, unless YCUA allows the Employee to return to the former position held.

Section 4. Newly Hired Teamster from Outside the Authority

The newly hired Teamster from outside the Authority will be given a ninety (90) working day probationary period. The newly hired Teamster shall be afforded all benefits as described in ARTICLE 8 – PROBATIONARY & QUALIFYING EMPLOYEES.

1. Probationary Employees. During this time if his or her performance does not meet the level of his or her department's standards, he or she will be given a written notification of the observed performance deficiencies and an opportunity to correct them. If the newly hired Teamster does not show measurable improvement in an agreed upon time frame he or she will be terminated.

Section 5.

The Chief Steward and the Alternate Chief Steward shall be sent a copy of all job postings. Prior to posting new positions, the Chief Steward shall be notified of the new position. The Employer and the Union shall meet to negotiate rates of pay for any new position or changed position. All or any job descriptions shall be made available to the Union upon request to the Human Resources Director's office or his/her designee by the Chief Steward.

Section 6.

If any position becomes vacant because of an Employee's lacking ability, the Employer may go to the next senior person that signed the posting. However, if a job posting is filled and vacated after sixty (60) working days, it shall be re-posted.

Section 7.

When a position is posted and not bid on, the Employer shall have ninety (90) days to fill the position or it shall be re-posted.

Section 8.

Time limits as set forth in this Article may be extended by mutual agreement. Such extensions shall be stipulated in writing and signed by both the Union and the Employer, with copies to all parties.

ARTICLE 12 - TEMPORARY ASSIGNMENTS

Temporary assignments for the purpose of interpretation may be for a period of more than thirty (30) days, but not more than one hundred twenty (120) days. Temporary assignments of a longer period will be discussed with the Union and mutually agreed to in writing.

Temporary assignments to fill vacant positions shall be offered to qualified Employees within the bargaining unit in order of seniority, the most senior qualified person being offered the position first with notification to the Chief Steward. The identified qualified person shall meet the minimum qualifications as listed for the position. If all qualified Employees reject the offer, the lowest senior qualified Employee may accept the temporary assignment or it may be assigned to a non-bargaining unit Employee. If the assignment is offered to a non-bargaining unit Employee, the Employee shall meet the minimum qualifications for the position. If no qualified Employees elect to fill the temporary assignment, the employer will exercise rights pursuant to Article 3.

Time worked in a higher classification or any bargaining unit classification, in a temporary position/assignment by an existing Teamster member shall count toward the qualification period, if the Employee is awarded and assumes that position on a permanent basis within one (1) year.

No temporary assignment assumed by a bargaining unit member will cause a pay reduction, but if the temporary assignment is a position that pays more than the Employee is now receiving, such pay adjustment will be made at the time of assignment.

ARTICLE 13 - EDUCATIONAL OPPORTUNITY

Section 1.

YCUA will provide to Employees, based on budget limitations, the opportunity to take job-related courses at an accredited college or university or community college through the reimbursement of educational expense. In those cases in which reimbursement is approved, the Employee shall advance the cost of all tuition and shall be reimbursed by YCUA upon the satisfactory completion of each course. Satisfactory completion shall require a "C" or better in undergraduate work and a "B" or better in graduate work. Evidence of satisfactory completion is required in those courses where grades are not awarded.

Section 2.

The Employer will pay for all educational programs that are required for an Employee to maintain any license or certification that is required for their position. The Employer will provide paid release time for the purpose of attending classes to maintain such licenses, provided this does not disrupt its operation.

Section 3.

The Employer shall reimburse Employees for mileage at the current Internal Revenue Service standard mileage rate for reimbursement for the use of a personal vehicle to attend training, seminars, conferences and license classes or furnish a vehicle for that purpose.

Section 4.

The employer shall reimburse Employees for the application and or renewal of all fees for any license and certification held by the Employee that is required for their position.

ARTICLE 14 - LEAVES OF ABSENCE

A leave of absence may be granted for a justifiable cause. Justifiable cause shall include, but is not limited to the following:

Section 1. FMLA Qualified Leave

Employees will be afforded all rights required by the Family and Medical Leave Act (FMLA). The Employee will retain all medical, dental, vision, life insurance, and disability insurance benefits while under the FMLA leave, and will continue to accumulate Paid Time Off (PTO) time and seniority during FMLA. Employees will be required to use their available PTO during FMLA. Once all leave time is exhausted the

remainder of the leave will be without pay. If an Employee on FMLA is found to be working another job with duties that violate their medical restrictions employment with the Ypsilanti Community Utilities Authority shall be terminated immediately. The Employee shall be notified by certified mail of the termination.

Section 2. FMLA Non-Qualified Leave

1. Leave to Care for an Infant Child Beyond FMLA Entitlement

Leave to care for infant children is not to exceed one hundred and twenty (120) days. The Employee will continue to accumulate seniority and PTO during the leave. These leaves will be concurrent with and not in addition to any FMLA leave. The first twelve (12) weeks are designated as FMLA leave. Employees will be required to use their available PTO during their leave. Once all leave time is exhausted the remainder of the leave will be without pay.

2. Other Medical Leave

If the Employee does not qualify for FMLA, duty-disability leave, or short-term disability leave, he or she may have their job preserved for up to three (3) months. After exhaustion of the Employee's PTO banks, this leave will be without pay. An Employee may keep his or her medical, dental and vision benefits during this leave. All other benefits will cease during this leave and seniority will be frozen. The Employer has the right to request an independent examination by the company physician to determine the feasibility of the medical leave of absence. Maximum leave of this type that will be granted will be three (3) months within a rolling twelve (12)-month period measured backward from the first date of the leave.

3. Short-Term Disability Leave

The Employer shall provide a short-term disability policy for each Employee.

- a. Upon approval by the carrier, this policy shall provide a tax-free benefit of 60% of the Employee's current hourly wage as of the last day worked to a maximum of \$850.00 per week for the first one hundred eighty (180) days. The benefits will be payable by the short-term disability carrier to the Employee on a weekly basis. There will be a thirty-one (31)-calendar day elimination period for sickness and injuries.
- b. Employees will be required to use their accumulated PTO during the thirty-one (31)-calendar day elimination period.
- c. Employees will be allowed to supplement their short-term disability payments during their leave with accrued PTO so long as they communicate with the Human Resources Department and the supplement does not exceed 100% of their regular pay for a forty (40)-hour work week.
- d. Employees will maintain the following benefits during this leave: medical, dental, vision, short-term disability, long-term disability, life insurance, leave time accrual, and accrual of seniority.
- e. A copy of the short-term disability policy shall be available to Employees upon request of the Human Resources Department.

4. Long-Term Disability Leave

The employer shall provide a long-term disability policy for each Employee.

- a. Upon approval by the carrier, this policy shall provide a tax free benefit of 60% of the Employee's current hourly wage as of the last day worked to a maximum benefit of \$3,684.00 per month less any other income benefits, with a minimum benefit of \$50.00 per month until expiration set out in the policy terms. The benefits will be payable by the long-term disability carrier to the Employee on a monthly basis. The elimination period will be one hundred eighty (180) days or the date the Employee's short-term disability benefits end.
- b. The following benefits will cease at the commencement of a long-term disability leave: medical, dental, vision, accrual of PTO and accrual of seniority.
- c. A copy of the long-term disability policy shall be available to Employees upon request of the Human Resources Department.

5. Workers' Compensation Leave

The employer shall provide workers' compensation insurance for duty-disabilities.

- a. Any full-time Employee, after completion of the new hire probationary period, who suffers a loss time injury compensable under the Workers' Compensation Act and if the Employee is unable to return to work full time, even with accommodations, the Employer shall pay the difference between the amount paid by the Workers' Compensation carrier and the Employee's current rate of pay for a period of six (6) months. As with any medical leave, the Employee will have all accumulated PTO benefits earned prior to the loss time injury frozen until he or she returns to work. At the end of the initial one (1) year period, if the Employee is still unable to return to work even with accommodations, then he or she will be placed on an unpaid medical leave.
- b. As long as the Employee is eligible and receives Workers' Compensation payment, the Employer shall continue the following benefits during the initial one (1) year period: medical, dental, vision, short-term disability, long-term disability, life insurance, PTO accrual, and accrual of seniority.
- c. If the Employee's claim is redeemed or the Employee takes a duty-disability retirement, this will end all obligation of the Employer to provide benefits or payments to the Employee that are provided under the workers' compensation leave provision of Article 14.
- d. After the initial one (1) year period the medical, dental and vision coverage shall continue as long as the Employee is eligible and receives a workers' compensation payment. The life insurance coverage may qualify for a waiver of premium by the insurance carrier or the Employee may apply to convert the life insurance coverage into an individual policy. Accrual of seniority and PTO will cease.
- e. Time away from work under a Workers' Compensation claim will not be deducted from an Employee's accrued PTO bank. However, the Employee shall have the option of supplementing workers' compensation benefits

received with PTO time, up to the Employee's weekly base rate of pay by contacting the Human Resources Department.

Employees who are off work due to illness for more than three (3) days may be required to submit a doctor's note indicating that the Employee is physically able to return to work. The Employer has the right to request an independent examination by the company physician to determine the feasibility of any medical leave of absence under Article 14.

Section 3. Non-Medical Leaves

1. Educational Leave

Educational leave for one semester to attend college, trade or vocational school for job-related instruction based on the needs of YCUA. The Employee may continue his or her medical, dental and vision benefits by making COBRA arrangements with the Human Resources Department.

2. Personal Leave

Any Employee may request a leave of absence by submitting the request in writing to his or her direct supervisor or department head who will send the request to the Human Resources Director or designee for approval. Leaves will not be granted for a period longer than the Employee's total seniority and in no case longer than a period of one year, except as specifically set out in each section. Except as specifically set out herein, benefits to the Employee under this contract cease at the time the leave of absence commences. Benefits such as PTO time and rights under the pension plan accumulated prior to the leave of absence shall be maintained until the Employee returns to work. However, the Employee shall retain his or her accumulated seniority as of the date that the leave of absence begins. An Employee on a leave of absence shall not accumulate seniority while on leave of absence from employment. An Employee who takes a leave of absence for one hundred eighty (180) days or less will be returned to his or her former position upon return from his or her leave. An Employee on leave of absence longer than one hundred eighty (180) days shall be returned to the first available position for which he or she meets the minimum qualifications. Subject to, and consistent with, the group health insurance plan, coverage may be continued during the leave of absence provided Consolidated Omnibus Budget Reconciliation Act (COBRA) arrangements are made with the HR Department.

3. Military Leave

Military leave will be in accordance with Federal and Michigan State laws. Any Employee who belongs to the Military Reserve or National Guard and is required to go to Annual Active Duty for training during the year shall be given leave, as required by law.

4. Elected Position

If an Employee is elected to Public or Union Office and is on leave without pay, he or she may return to work under the following conditions: When the end of the term of office for the elected official has been determined and the Employee has decided to return to work with YCUA, the Employee must submit written notification that he or she is

wanting to return and that his or her length of time away from YCUA did not exceed his or her seniority with YCUA. He or she will be allowed to fill the first posted position for which he or she meets the minimum qualifications, as determined by the Employer.

5. Bereavement

The Employee shall be granted four (4) consecutive workdays paid funeral leave when he or she suffers a death in his or her immediate family. The leave shall be taken within two weeks of the death. A member of his or her immediate family shall be: spouse, parent, step-parent, spouse's parent, spouse's step-parent, grandparent, spouse's grandparent, child, step-child, grandchildren, brother, sister, step-brother, step-sister, brother-in-law, sister-in-law (brother-in-law and sister-in-law shall be the husband or wife of Employee's sister or brother or the brother or sister of Employee's spouse), aunts and uncles of the Employee in a direct blood relationship. If the Employee has to travel two hundred (200) miles or more due to the death, he or she will receive one additional consecutive paid funeral leave day. Documentation in the form of proof of death must be provided for all funeral leaves. Any additional time for bereavement may be requested from the Employee's PTO bank. If no such time is available to the Employee and the death is of their parent, spouse, children or stepchildren, the Employee shall be granted leave without pay (LWOP) to a maximum of thirty (30) working days. Any Employee who is off on funeral or bereavement time is not eligible or available for overtime.

6. Short-Term Leaves

Leave without pay for short periods of time, not to exceed 30 days, may be granted to an Employee for a justifiable cause. Any Employee who wishes to take a leave without pay shall sign a leave slip with the number of days on leave and the reason for such leave. The leave slip shall indicate approval or disapproval by the Employee's immediate supervisor and the Human Resources Director. No leave without pay for less than three days may be granted until an Employee has exhausted his or her PTO bank. However, leave without pay may be used at the Employee's option when an Employee is tardy less than fifteen (15) minutes.

Employees will be required to contact Human Resources for the continuation of medical, dental, vision, and life and disability benefits under non-medical leaves. Benefits will continue based on federal and Michigan state laws, and policies set forth by benefit carriers.

ARTICLE 15 - PAID TIME OFF (PTO)

The Employee is accountable and responsible for managing his/her own PTO hours to allow for adequate reserves if there is a need to cover vacation, illness or disability, appointments, emergencies, or other needs that require time away from work. This leave time is inclusive, containing provisions for vacation, sick, and personal time.

Section 1.

(PTO) benefits will accrue monthly on Employee's anniversary hire date. They will accrue beginning at the hire date and become available to Employee after thirty days of employment, as with other fringe benefits.

Section 2.

The employee will accumulate PTO benefits based on the following schedule:

Start date up to 5 years of service	29 days per year / 232 hours

ARTICLE 30 - SEPARABILITY AND SAVINGS CLAUSE

Section 1.

In the event that during the terms of this agreement any provisions contained therein are made invalid by federal or state laws or declared invalid by any court of competent jurisdiction, it is agreed that such provisions shall thereupon be inoperative, but this shall not invalidate the entire agreement, it being the express intention of the parties that all other provisions shall remain in full force and effect.

Section 2.

In the event that any provision of the agreement is held invalid as set forth above, the parties shall meet for the purpose of negotiating changes made necessary by the applicable laws or decree.

ARTICLE 31 - WAIVER CLAUSE

The parties acknowledge that during the negotiations which resulted in this agreement, each had the unlimited right and opportunity to make demands and proposals with respect to any subject or matter not removed by law from the area of collective bargaining, and that the understandings and agreements arrived at by the parties after the exercise of that right and opportunity are set forth in this agreement. Therefore, the Employer and the Union, for the life of this agreement, each voluntarily and unqualifiedly waives the right and each agrees that the other shall not be obligated to bargain collectively with respect to any subject or matter not specifically referred to or covered in this agreement, even though such subjects or matters may not have been within the knowledge or contemplations of either or both of the parties at the time they negotiated and signed this agreement.

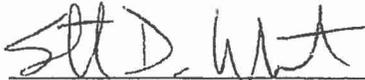

ARTICLE 32 - DURATION OF AGREEMENT

This agreement shall be in full force and effective from January 1, 2019 to and including December 31, 2022, and shall continue to be in full force and effect from year to year thereafter unless written notice of desire to cancel or terminate the agreement is served by either party upon the other at least sixty (60) days prior to date of expiration. There is, however, no retroactivity for any items wherein there was increased benefits, i.e., Sickness & Accident Policy, et cetera. It is further provided that where no such cancellation or termination notice is served and the parties desire to continue said agreement but also desire to negotiate changes or revisions in this agreement, either party may serve upon the other a notice at least sixty (60) days prior to September 1 of any subsequent contract year advising that such party desires to continue this agreement, but also desires to revise or change terms or conditions of such agreement. The respective parties shall be permitted all lawful economic recourse to support their request for revisions if the parties fail to agree thereon.
